

Join Our Team!

Centerburg Pointe

Our mission is to provide the highest quality health care to everyone we serve, including patients and their families. We value employees with compassion, warmth and great attention to detail. We want not only our patients but our employees to feel like they're part of our Saber family.

Opportunities include positions in short-term care, long-term care or assisted living. Whatever the department, our specialized programs are designed to provide the best possible quality of life for our residents and their families.

As we expand, we're looking for compassionate and experienced health-care professionals interested in joining us on this important mission.

Apply online or in person during normal business hours, 7:00 am - 5:00 pm
